2. Documentation of simulation equipment and experiences.
- (g) An updated timeline for implementing the program and intended date for entry of the first class.

**(2)** The board shall make a decision on the application within 2 months of the receipt of the completed application.

**(3)** Withdrawal of authorization may occur for failure to meet the standards in s. N 1.08.

**History:** **CR 14-004; cr. Register July 2014 No. 703, eff. 8-1-14; correction in (1) (d) (intro.) made under s. 35.17, Stats., Register July 2014 No. 703.**

**N 1.05 Approval of school of nursing. (1)** A school of nursing may apply for approval of the school of nursing upon graduation of the first class or eligibility to sit for the NCLEX, but

may not apply later than graduation of the third class. The school of nursing shall submit all of the following:

(a) A self-evaluation report setting forth evidence of compliance with the standards in s. N 1.08.

(b) The school of nursing's ongoing systematic evaluation plan, including an evaluation of the NCLEX success rate.

(2) The board may conduct a site survey of the school of nursing. A determination to conduct a site survey shall occur within 2 months of receipt of completed application for approval.

(3) The board shall make a decision on the application within two months of the completed site survey or receipt of the completed application, whichever is later. The board shall approve the school based on verification that the school of nursing is in compliance with nursing education standards in s. N 1.08.

(4) The board may grant conditional approval. The notice of conditional approval shall contain a short statement in plain language of the basis, specifying the standard upon which the conditional approval is based. A school of nursing that receives a conditional approval may not admit new students to the school of nursing until the school of nursing receives full approval. The school of nursing may apply for full approval in three months from the date the school of nursing receives conditional approval.

(5) If the board denies the school of nursing approval, the notice of denial shall contain a short statement in plain language of the basis for denial, specifying the standard upon which the denial is based. The controlling institution shall do all of the following:

(a) Implement the time frame established by the board for transfer of enrolled students to an approved school of nursing and report to the board the date of transfer for each student by name.

(b) Arrange for the secure storage and access to academic records and transcripts for the next 50 years. Provide the board with the name and address of the educational institution or other organization that will be responsible for secure storage and access to academic records and transcripts for 50 years.

(c) Close the school of nursing occur when the last student has transferred.

(d) Submit progress reports during the closure process upon request of the board.

(6) A school of nursing denied approval or given a conditional approval may request a hearing within 30 calendar days after the mailing of a notice. The school of nursing may be granted a stay of the school closure during the appeal process.

**History:** CR 14-004; cr. Register July 2014 No. 703, eff. 8-1-14; correction in (1) (intro.) made under s. 35.17, Stats., Register July 2014 No. 703.

#### N 1.06 Approval of out of state school of nursing.

(1) APPROVAL. An out-of-state school of nursing shall be approved if all of the following requirements are met:

(a) The school is approved by the board of the state the school is located.

(b) The school is accredited by a nursing accreditation body recognized by the Wisconsin board.

(2) CONTINUED APPROVAL. An out-of-state school shall maintain approval as long as school of nursing meets the requirements in sub. (1).

**History:** CR 14-004; cr. Register July 2014 No. 703, eff. 8-1-14; correction in (2) made under s. 13.92 (4) (b) 1., Stats., Register July 2014 No. 703.

#### N 1.07 Accreditation. (1) A school of nursing shall

receive nursing accreditation by a board recognized nursing accreditation agency within three years of school approval. Schools of nursing which have received board approval prior to July 1, 2014 shall receive nursing accreditation by a board recognized nursing accreditation agency by July 1, 2017.

(2) Schools of professional nursing that grant a certificate of completion shall hold accreditation at the level of the complete degree at which a diploma is conferred.

(3) Failure to maintain nursing accreditation shall result in withdrawal of school approval.

**History:** CR 14-004; cr. Register July 2014 No. 703, eff. 8-1-14.

**N 1.08 Standards. (1) ORGANIZATION AND ADMINISTRATION.** The institution shall assume legal responsibility for overall conduct of the school of nursing. The institution shall do all of the following:

(a) Designate an educational administrator, establish administrative policies, and provide fiscal, human, physical, clinical, and technical learning resources adequate to support school processes, security, and outcomes.

(b) Maintain institutional accreditation.

(c) Develop and maintain written school of nursing administrative policies which are in accord with the institution.

(d) Have written contracts between the school of nursing and institutions which offer associated academic study, clinical facilities, and agencies for related services for students.

(2) EDUCATIONAL ADMINISTRATOR. (a) The qualifications for the educational administrator are all of the following:

1. Current, active registered nurse license or privilege to practice in Wisconsin that is not encumbered.

2. A graduate degree with a major in nursing.

3. Knowledge of learning principles for adult education, including nursing curriculum development, administration and evaluation and either educational preparation or 2 years experience as an instructor in a nursing education program within the last 5 years.

4. Current knowledge of nursing practice.

(b) The institution shall notify the board within 48 hours of the termination, resignation, or retirement of an educational administrator and designate the interim educational administrator within 5 business days. The institution may request board approval of an interim educational administrator who does not meet the qualifications in par. (a). The interim educational administrator may serve no longer than 6 months. The institution may request an extension of time based upon hardship.

(3) FACULTY. (a) *Faculty standards.* The school of nursing shall have evidence of the faculty meeting the standards in this section on file in the school of nursing office and available upon request to the board.

(b) *Qualifications for professional nursing faculty.* The qualifications for the faculty of a school of professional nursing are all of the following:

1. Hold a current, active registered nurse license or privilege to practice in Wisconsin that is not encumbered.

2. A graduate degree with a major in nursing. Interprofessional faculty teaching non-clinical nursing courses shall have advanced preparation appropriate for the content being taught.

(c) *Qualifications for practical nursing faculty.* The qualifications for the faculty of a school of practical nursing are all of the following:

1. Hold a current, active registered nurse license or privilege to practice in Wisconsin that is not encumbered.

2. A baccalaureate degree with a major in nursing.

(d) *Faculty exceptions.* An educational administrator may apply to the board for exceptions to faculty requirements. A school of nursing that is granted a faculty exception for a faculty member shall provide the faculty member with a supervisor who meets the qualifications in par. (b) or (c). A minimum of 50 percent of faculty must meet the faculty qualifications. The board may grant one of the following exceptions:

1. 'Standard exception.' A standard exception may be renewed upon showing proof of progress and continued active enrollment each year. The standard exception is for a person who has a baccalaureate degree in nursing and is actively enrolled in one of the following:

- a. A master's program with a major in nursing.
- b. A bachelor's in nursing to doctorate program in nursing.
- c. A doctorate program in nursing.
2. 'Emergency exception.' A person with a baccalaureate degree in nursing may be employed for a short-term, unanticipated emergency situation including medical leave. The emergency exception is for a term no longer than one semester and may not be renewed.
3. 'Non-nursing masters degree exception.' Each school of professional nursing may apply for one non-nursing masters degree exception provided the person has all of the following:
  - a. A bachelor's degree in nursing.
  - b. A graduate degree related to the topic of the course the person is teaching.
  - c. Nursing experience in the area of teaching assignment.
  - d. A unique combination of knowledge, experience, and skills that will best serve the school of nursing, faculty, and students in a specific content area.

**(4) CURRICULUM.** The curriculum shall enable the student to develop the nursing knowledge, skills and abilities necessary for the level, scope and standards of competent nursing practice expected at the level of licensure. All curriculum shall be developed by a faculty member with a graduate degree. Curriculum shall be revised as necessary to maintain a program that reflects advances in health care and its delivery. The curriculum shall include all of the following:

- (a) Evidence-based learning experiences and methods of instruction consistent with the written curriculum plan. The methods of instruction may include distance education methods.
- (b) Diverse didactic and clinical learning experiences consistent with program outcomes.
- (c) Coursework shall include all of the following:
  1. Content in the biological, physical, social and behavioral sciences to provide a foundation for safe and effective nursing practice.
  2. Content regarding professional responsibilities, legal and ethical issues, and history and trends in nursing and health care.
  3. Didactic content and supervised clinical experiences in the prevention of illness and the promotion, restoration and maintenance of health in patients across the lifespan and from diverse cultural, ethnic, social and economic backgrounds.
