The Governmental Unit Application and Eligible Applicant List are the two cover sheets that should be submitted with each batch of applications sent to the Department of Safety and Professional Services.

Each owner's application packet submitted to the Department of Safety and Professional Services must include a copy of the Owner's Application, Grant Worksheet, Sanitary Permit Application and approved plot plan.

Final inspection report forms can be sent with the owners application packets if the system has been installed or can be sent later with the grant payment request.

To the best of my knowledge and belief, this application and all attachments are true and correct under Chapter SPS 387, Wisconsin Administrative Code, and Section 145.245, Wisconsin Statutes.
